NOTES ON ACADEMIC DRESS

The history of academic dress goes back to the medieval European universities of the fourteenth century. Although European universities continue to follow varied patterns in cut and color of gown and type of headdress, the academic dress in the United States is more or less standardized. The gown is usually black. The pattern varies with the degrees held. The bachelor's gown is a relatively simple design with long pointed sleeves as its distinguishing mark. The gown for the master's degree has an oblong sleeve with the rear part cut square and the front part with a cutaway arc. The most elaborate academic costume is the doctoral gown, with velvet panels down the front and three bars of the same material across the sleeves. The velvet is usually black, but it may be a color designating the subject to which the degree pertains, e.g., dark blue for philosophy. The hood bears a still larger symbolic burden: The width of its velvet trimmings designates the level of the degree; the color of the same heralds the major field of learning; and its lining identifies the institution that granted the degree; e.g., Georgia State University is symbolized by a lining of silver-gray with a crimson chevron.

Certain standard colors represent the disciplines. The color facing the hood, whether it is black or colored, indicates the following:

White: arts and letters,
including journalism
Scarlet: theology
Purple: law
Green: medicine
Dark Blue: philosophy
Yellow: science
Brown: architecture and the
fine arts
Lilac: dentistry

Pink: music
Orange: engineering
Olive: pharmacy
Light Brown: business
Lemon Yellow: library science
Light Blue: education
Peacock Blue: public
administration
Citron Yellow: social work
Apricot: nursing

GRADUATION WITH HONOR

Scholastic recognition at graduation will be given to each baccalaureate student who completes at least 90 hours of coursework at Georgia State University and who earns a high academic average on all work attempted. The specific award, based on the cumulative grade-point average at Georgia State University, will be one of the following:

Cum Laude	3.500
Magna Cum Laude	3.700
Summa Cum Laude	3.900

The cumulative grade-point average is carried out to four places and is not rounded off when calculating university honors.

Membership in the National Honor Society of Phi Kappa Phi is denoted by the wearing of a white ribbon with maroon lettering on the academic gown at commencement. This special distinction, symbolized by the ribbon, indicates outstanding scholastic achievement.

ALMA MATER

Alma Mater, we are loyal to the name of Georgia State.
Love and honor we accord thee, and devotion from our hearts.
In respect and veneration we shall always hold thy name.
Nurturer of light and knowledge, we shall ever tell thy fame.

Happy are thy sons and daughters spread abroad throughout the land.
Knowing that we are forever part of thine own faithful band.
Where the paths of life are crowded, we have known thy pleasant bond.
And the love of Alma Mater we shall never pass beyond.

Because of circumstances that require that the lists of names be furnished to the printer in final form several days prior to commencement, it is possible that one or more candidates listed herein may have been unable to complete all requirements for the degree. Inability to remove a name at the last moment does not commit the university to grant the diploma to a person thus listed. Changes in honor status may also occur after final printing. The official corrected list is maintained in the Office of the Registrar.
